## Single-Sided/Double-Sided General Purpose Field Service Kit

Over 65 high quality brand name tools, all with lifetime warranties, are packed into this compact kit for servicing and installing electronic equipment. Providing space-saving versatility, interchangeable handles hold both inch and metric nutdriver blades, as well as Torx® blades. The kit also features an array of fixed handled screwdrivers, pliers/cutters, and soldering iron. The tools are neatly packaged into several different rugged case options.

- Zipper-style case made of water resistant industrial mesh nylon w/ sturdy web handles
- Large exterior pouches for additional tools, documentation or test equipment
- 5-year warranty on cases
- Weight: 11 lbs.; Dimensions: 18" x 11" x 5"

Double-Sided has a document folio pouch plus numerous smaller pockets.
