Welcome To

Time Motion Tools

**Just what
you need...
just when
you need it.**

- For nearly 30 years, Time Motion Tools has catered to the specialized needs of operations, service and repair professionals nationwide.
- We are the premier resource for all the equipment, tools, supplies AND expertise you rely on every day to get the job done right.
- We stock only those items you really use—in the most popular styles and sizes—from the world's leading manufacturers. That means no wading through a sea of irrelevant products hoping to find exactly what you're looking for...right now.
- You can count on TMT to have what you want on hand and ship it the same day. And in the unlikely event we don't, we'll go find it and get it to you fast. That's called going the extra mile—the only way we know how to do business.
- We take this level of commitment very seriously...because that's what every customer deserves. Quite simply, our mission is to make sure that you are completely satisfied, with top-quality merchandise, outstanding prices, practical expertise and service second to none.
- Our suppliers and employees are partnering to make your experience with Time Motion Tools one that will clearly meet or exceed your expectations. And we hope you'll give us the opportunity to put that dedication to work for you.

**To Order Call:
800-779-8170**

or 858-679-0303

(Mon – Fri 7:00 a.m. – 5:00 p.m. PST)

Order by Fax: 800-779-8171

*We know you have a choice of suppliers
and we thank you for choosing us.*

Thank you for your continued support – we're proud to serve you.

TERMS, CONDITIONS & NOTICES

1. **Prices:** All prices in this catalog are in U. S. dollars, effective as of **August 1, 2011**, and are subject to change without notice. We reserve the right to correct misprints.

2. **Shipping:** All orders shipped F.O.B. from our Poway, CA warehouse. UPS is our default carrier; FedEx® is available for customers with collect accounts. The cost of shipping and a nominal handling fee will be added to all orders. Our goal is to ship every in-stock order the same day we receive it. To insure delivery place orders by 1 PM PST for FedEx, 3:30PM PST for UPS.

3. **Hazardous Material Shipping:** Items with this symbol  can only be shipping via ground carrier and incur an additional charge. Items with this symbol  can only be shipped ground but incur no additional charge. HAZ-MAT items are **NON-REFUNDABLE** and **NON-RETURNABLE!**

4. **Payment Methods:** we accept checks and the following credit cards:

VISA

5. **Open Account Billing Terms:** 30 days net subject to credit approval. Contact us if you want to establish an open credit account.

6. **Taxes:** California sales tax will be added to all shipments in California unless you furnish a signed state tax exemption certificate.

7. **Minimum Orders:** All orders under \$35.00 will incur a \$10.00 administrative fee.

8. **Returns:** You can return any product, excluding hazardous materials or custom products, within 30 days in the original packaging for replacement, credit or refund. Shipping charges are not refundable. Call for a return authorization number. We reserve the right to not accept returns after 90 days.

9. **Warning:** Safe Drinking Water and Toxic Enforcement Act of 1986. Certain products, including solder, fluxes, soldering irons, guns, tips, etc; butane soldering irons and butane, produce chemicals known to the state of California to cause cancer and birth defects or other reproductive harm.

The leading family of affordable thermal imagers just grew by 2!

FLUKE

Ti27 & Ti29 Thermal Imagers

*Looking for outstanding image quality, versatility,
and affordability without compromise?*

Look no further. The new Ti27 and Ti29 feature a powerful FPA sensor, field-installable upgradeable lenses, industry-leading $\leq 50\text{mK}$ thermal sensitivity to see even the smallest temperature differences, high temperature or dew point alarms, better level/span adjustment, thumbnail view memory, new display options and more. Superior infrared and spatial resolution coupled with a high definition display creates the sharpest images in their price classes. With a rugged design, integrated lens cover, protected display and 6-1/2 foot drop test, they can tackle the harshest environments.

- **Patented IR-Fusion® Technology** provides on-camera blending of visible and infrared images
- **Large 640 x 480 color LCD display**
- **Intuitive 3-button menu** for easy one-handed operation
- **2 GB SD memory card** stores 1200 voice-annotated IR and linked visual images
- **Adjustable hand strap** for righties and lefties

See Page 62 for details.
